

# R/V Roger Revelle Scientific Berthing Plan 1st Platform

**BERTHING** - The scientific berthing is 37. This assumes 1 person in the chief scientist room, and 2 people in each of the remaining 19 rooms. One of the bunks in room 02-42-6 has a fold down pullman berth. Rooms 2-40-2 and 2-40-1 are permanently assigned to the computer engineer and resident technician.
